

Block Party Host Application

2025 Application Deadline: March 31st, 2025

This summer Breck Create is bringing music and art directly to Breckenridge neighborhoods and surrounding Summit County communities. These FREE Block Parties feature Breck Create's AirStage mobile stage and include local and regional musical talent and family friendly art experiences.

We are seeking host applications for a limited number of Block Parties for summer 2025. Are you a social butterfly capable of drumming up excitement and participation for your Block Party? Can you enlist five to seven additional volunteers to help organize and spread the word? If you are a host extraordinaire and believe you have a perfect spot to host a block party in your area we want to hear from you!

Here are a few things hosts will be responsible for:

- Communication with and obtaining HOA or neighborhood association approval prior to application submission.
- Recruit additional volunteers to help coordinate the event and participate on the day of the event.
- Get the word out in your neighborhood!
- Site/Location proposal. Breck Create will evaluate your proposed location to determine if it meets the criteria to deploy the AirStage and have enough space to comfortably host 50-150 people. If proposed site requires additional approvals or permits hosts will

facilitate those. Example: Noise Ordinances, use of private property, etc.

- Host and volunteers will assist with setup and tear down of the event and be responsible for trash and recycling when the event concludes.

All applications will undergo an internal review process. Please provide all requested information. Be thorough but succinct! Once the application window closes Breck Create will review all applications and begin site evaluations. We will follow-up with any additional questions or issues that arise during our review. We anticipate our review process to be complete by April 15, 2025. Selected hosts/sites will be notified shortly following this date. Hosts/Sites not selected will also be notified.

Our goal is to serve our entire county so if you are not chosen this year we hope you will submit again for next year!

Host Duties and Expectations

Hosts will be expected to help generate support and promote their AirStage Block Party through the following tasks:

- Recruit five to seven neighborhood volunteers to help promote, organize, and execute the event.
- Use your social media accounts to promote the event.
- Motivate neighborhood participation in the event by recruiting a minimum of 50 neighbors and friends to attend.
- Door-to-door distribution of door hangers, posters and/or flyers as provided by Breck Create staff.
- Email and texting neighbors about the event to generate support, interest, and participation.
- Communicate with and obtain HOA or association approvals and support for the event.
- Communicate progress of individual tasks listed here to Breck Create.
- Assist with day-of setup tasks as assigned by Breck Create event staff.
- Motivate and supervise volunteers to manage trash and recycling during and at the conclusion of the event.
- Assist with event tear-down and site cleanup and motivate volunteers to do the same.
- Participate in post-event evaluation surveys.

Are you willing and able to complete these tasks?

Yes / No

Block Party Date Options

To simplify the scheduling process we have three date blocks when the Block Parties can be scheduled. These are:

- Summer Opener Block Party (June 8th, 9th, or 10th)
- Mid Summer Block Party (July 21st or 22nd)
- Summer Wrap-Up Block Party (Sept 6th or 7th)

We ask that you choose one date from each block. This selection process can make it more likely to land a date for your Block Party. Weekend dates will be a

3pm-5pm timeframe and weekday dates will be 6pm-8pm to accommodate after work events.

Weather and Cancellation Policy

We try to avoid canceling events, but weather sometimes makes it necessary. If conditions are unsafe for patrons, artists, or crew, we'll cancel. If bad weather clears up quickly, we might just pause and resume later. If we must cancel, we'll try to reschedule, but it may not always be possible. In that case, we'll prioritize your Block Party for next summer.

If an artist cancels, we'll work to replace them, but there may be a change in genre or format. If we can't find a replacement, we may need to postpone or cancel.

I have read und understand the Weather and Cancellation Policy

Block Party music Options

We work with local and regional talent and love to feature Summit County artists for our Block Parties. Artist booking is complicated, so we cannot guarantee any specific artist or genre, but we want to know what you would like to hear at your Block Party! We will do our best to accommodate your preferences.

Please rank the music genre options in order of preference

Breckenridge Creative Arts is an equal opportunity community partner. Breckenridge Creative Arts does not discriminate based on race, ethnicity, religion, sex, sexual orientation, gender identity, national origin, veteran or disability status. We strive for an open and fair application and decision process.

All Block Party Event determinations are based on:

- An appropriate site that meets the necessary guidelines.
- Host's ability to marshall support and volunteers to execute the event.
- Breck Create's community engagement goals including engaging under-served communities and reaching outside of our normal operating area to bring programming to the wider Summit County community.

Thank you for applying to host a Breck Create Block Party! Is there anything else you would like to share regarding your application?
